THE CLASS OF **1976**

NEW BEDFORD VOCATIONAL HIGH SCHOOL

As your graduating class moves towards the responsibilities of adulthood, I remain confident that the training and education received at New Bedford Vocational High School has prepared you for the years ahead. The times are troubled, your challenges are great, but with the same enthusiasm and dedication of your forefathers, I know you will continue to make this great country even greater.

Congratulations on your fine accomplishments and the best of luck in the future.

Joseph Barbero, Jr.

ACTING DIRECTOR

I am happy to extend my congratulations and best wishes to the Class of 1976. I am confident that the knowledge you have gained here at New Bedford Vocational High School will serve as a firm foundation upon which to build in future years. Continue to learn and to grow, continue to practice in the community the qualities of good citizenship you have shown here at school . . . in this way you will be following the fine tradition of Vocational High School graduates of past years.

Mary E. Cronin
ASST. DIRECTOR

Congratulations and best wishes to the class of 76. I consider it a distinct privilege to have had the opportunity to share this year with you. Your lives have grown and developed because you have focused on goals, dedicated four years to learning, and disciplined yourselves to achieve. "The will to win is not nearly as important as the will to prepare to win."

Forward

We, the class of 1976, wish to express our sincere thanks to the faculty of New Bedford Vocational High School.

In only four short years, so much has been achieved and accomplished. We have gained not only knowledge but the ability to use this knowledge in our everyday life.

For us, this yearbook will be a reminder of those years and will help us to remember the good and the bad times.

The Class of 1976

Dedications

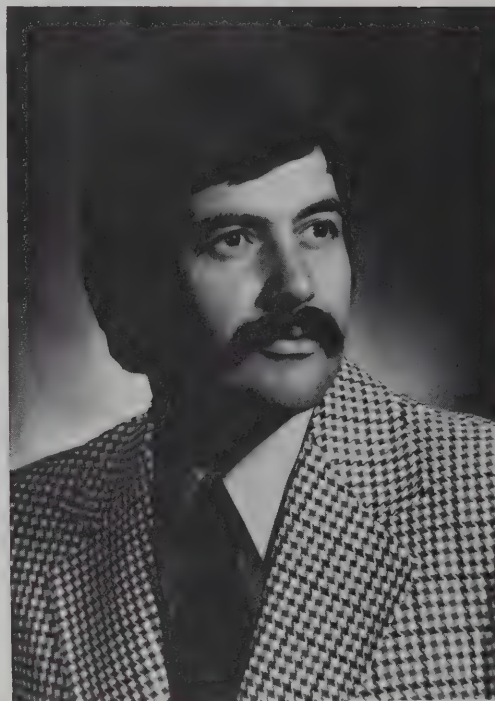

MRS. WOODACRE

It is with a great deal of pride and pleasure that we, the members of the Class of 1976, dedicate "The Mariner" to Mrs. Alice Woodacre of the Home Economics Department. Mrs. Woodacre is in her fifth year of service at New Bedford Vocational High School where she has taught Freshman and Junior Home Nursing, the Personality Clinic, Health Education, and the Nurses' Aide Program. She is also the advisor to the Health Careers Club. Mrs. Woodacre is a graduate of Mass. General Hospital School of Nursing and SMU.

Prior to joining our faculty, she had experience as an Industrial Nurse, a Staff Nurse at St. Luke's Hospital, and as a School Nurse for the New Bedford Public Schools.

Our sincere congratulations are extended to Mrs. Alice Woodacre upon the occasion of this dedication.

MR. CEBULA

We, the members of the class of 1976, are pleased and privileged to dedicate this issue of "The Mariner" to Academic Department Instructor, Mr. Henry Cebula.

A 1966 graduate of Springfield College, Mr. Cebula joined the Vocational faculty in 1968. He previously taught in the New Bedford Public School system. From 1968 to 1971 he served as an assistant football coach. 1969 and 1970.

Mr. "C" was the Senior Class Advisor in 1968 and 1969.

Presently an instructor of U.S. History, we are grateful to him for his kindly advice and pragmatic philosophy regarding life today through the teaching of History.

This dedication goes forth with thanks from the Class of '76.

During our 4 years at N.B.V H.S. there were several people who we met that helped to shape our lives. There's one special person who treated us as learning adults, individuals, and friends. For all your help and concern we would like to thank you

MR. EDWARD CAMBRA
Your girls of '76.

REFLECTIONS

Freshman Year

Four Years. For some it has been too long. Others have felt it was days of good times, but everyone agrees it has been an experience. Our freshman year seemed different in many ways, but it was a beginning - a chance to meet people, start an athletic career and grow as individuals.

As we sat in Hammond Auditorium, our director Mr. Z. Walter Janiak explained what would be expected of us in the next four years. We soon became acclimated. The months whizzed by, and before we realized it, it was June and time to leave for the summer.

Sophomore Year

When we returned to Vocational in September of 1973, we were glad that we no longer had to be called freshmen.

Our sophomore year proved interesting. Girls' Spring Track was reinstated. Many students participated and had fun even though we weren't the best. Students in the Girls Department also walked to the historic New Bedford Whaling Museum and to the downtown police station where we heard an information talk regarding drug abuse.

Junior Year

In September of 1974 we returned to Vocational once again, this time as juniors. Needless to say, we were quite excited.

The year started with our first Junior Class meeting. The next week, the following class officers were elected: Clem Allain, president; Ray Richards vice president, Jeanne Coderre, secretary; and Frank Tapper, treasurer. Miss Roberta Hallett and Mr. Clarence Brooks were our advisors.

For our first project, we sold Voke jackets and made a substantial profit. During the winter, we held an auction which involved the entire student body and faculty. It was a great success, with proceeds reaching the thousands and benefiting all school activities and clubs.

Spring found our class having a record hop, which was well attended by both students and outsiders. The music was pleasing because it consisted of whatever anyone wanted, so much dancing was done.

Late in the year, we had our Junior Class Skip Day, in which many students participated. It was a beautiful day and the water at Long Pong was warm. Everyone who went had a good time, even though a few got caught.

The final events of the junior year were the outing and the Prom. Cathedral Camp was the setting for the outing. Although it turned out to be a cold rainy day, everyone enjoyed themselves. Many students went swimming and played baseball. They even found Mr. Brooks and some of the guys playing football in the mud. Mr. Colucci and the cafeteria ladies worked the grills for everyone who was hungry or just had the munchies.

The Junior Prom was different from those of past years because it was held in Hammond Auditorium. The class worked very hard to give the auditorium a 1920 French atmosphere. Tables were placed around the sides of the room to give the appearance of a sidewalk cafe, and a gazebo was built in the center of the floor. The name "Cafe de Voke" was adapted. Phase IV played, making the night just perfect.

Senior Year

In September of 1975, we returned to Voke as mighty seniors. Miss Hallett and Mr. Brooks were again our advisors. We elected our officers, as follows: Al Trahan, president; Frank Ferreira, vice president; Jean Coderre, secretary; and Frank Affonse, treasurer.

A senior car wash was held in October. We washed many cars and seniors, too, and raised a lot of money.

At the beginning of November, we sponsored a record hop, which was the first of a series to be held early each month. There was much dancing and everyone had a marvelous time. We also sponsored a turkey raffle in November. We sold many chances and made a great deal of money.

During the winter vacation we took a field trip to Salem with Mrs. Miriam Moore. There we visited the Witch Museum and House of the Seven Gables. Another field trip to Mystic Seaport in Connecticut in the spring found us visiting the Charles W. Morgan, as well as all the other nearby attractions. Both tours were fun and educational.

Finally it was time for our Senior Class Outing, which was held at Lincoln Woods in Rhode Island. It was a beautiful sunny day, the water was warm, and there was plenty of food. Everyone had a good time.

Before we knew it our Senior Prom had arrived and it would be the last time we all got together as a class except for graduation. The prom was held at the Coachman in Tiverton, R.I.

Our Senior Year. The time many begin lasting interest, direction, and ideals. Now we begin to think of independence, new faces, and challenges which will shape our tomorrows. We have wondered at numerous social and historical events. Confusion, instability and corruption. But more fondly we will remember 1976. Now let us work to achieve dreams, contemplate opportunities, and being from this day.

NEW BEDFORD

One of the most fun-filled activities to take place in the recent history of Vocational occurred when the first annual "Spirit Week" hit the campus.

In the wake of a mysterious buildup, a week of spectacular combinations of clothes followed daily themes such as plaids, mismatch, the 50's, formal, and green and white.

Teachers, staff and students alike participated fully. The week culminated with the awarding of trophies to those judged to be the most "with it."

Prize winners included Leona Manning, Bull Mullen, Karen Burr, Dan Spooner, Jeff Rose, and Mrs. Moore.

Who got it?!!

Off on a long gainer.

KICK!!!

What a traffic pattern.

track

This year was a building year for the young artisans.

The team's overall record was 5-8, in S.M.C. Division III it was 3-4. The team finished 3rd in the SMC Division II Conference Meet, with Tim Gago setting a new conference record in the mile run.

The team went to a few of the large invitational track meets and came home with their share of awards. At the Somerset Relays the Javelin team of Clem Allain, Bill Karalekas, and Mike Michalski finished fifth. Tim Gago finished 1st at the Seekonk Fr.-Soph. meet and 2nd in the Catholic Memorial Fr.-Soph. meet in the mile. Also at the C.M. meet Steve King was fifth in the long jump. At the Seekonk meet Pete Champagne 3rd and Dan Lowney 4th in the 120 yd. High Hurdles, Bill Karalekas was 4th in the javelin. John Haggerty was a finalist in the State's Class C 100 yd. dash.

Junior Mark Richard set two new school records, in the triple jump with a leap of 41' 6½", also scoring 154 points in one season in seven different events.

The future looks bright for the young artisans.

SOCCER

Considering the comparative lack of experience, a small squad, and a potentially overwhelming schedule, the 1975 season ended on what must be considered a very successful note. Pitted against the Cape Cod powerhouse and perennial champion N.B.H.S., the final record was 7 wins, 6 losses, and 1 tie. Enroute to that record, the team averaged 3.1 goals per game, and allowed 2.6 goals against. The defense registered four shutouts including a very impressive 1-0 victory over runner-up Dennis-Yarmouth. A tremendous effort was also put forth in the second game against arch-rival N B H, playing 1-1 for 3½ periods before succumbing. We were shut out only once.

Mario Vieira finished high in the individual scoring race, registering over 20 goals. Our conference record was 6-5-1, sufficient for a first-division finish, and the eighth consecutive "500" or better season.

To be missed on next year's squad will be scoring ace Mario Vieira, midfielder Capt. Dave Sylvia, and defensive specialist Gil Amaral. A returning nucleus of veterans should rally next year's squad to carry on the winning soccer tradition.

Named to the '75 All-Star Team were striker Mario Vieira and defender Gil Amaral.

"Speedy" and a friend(?)

Stretch to victory.

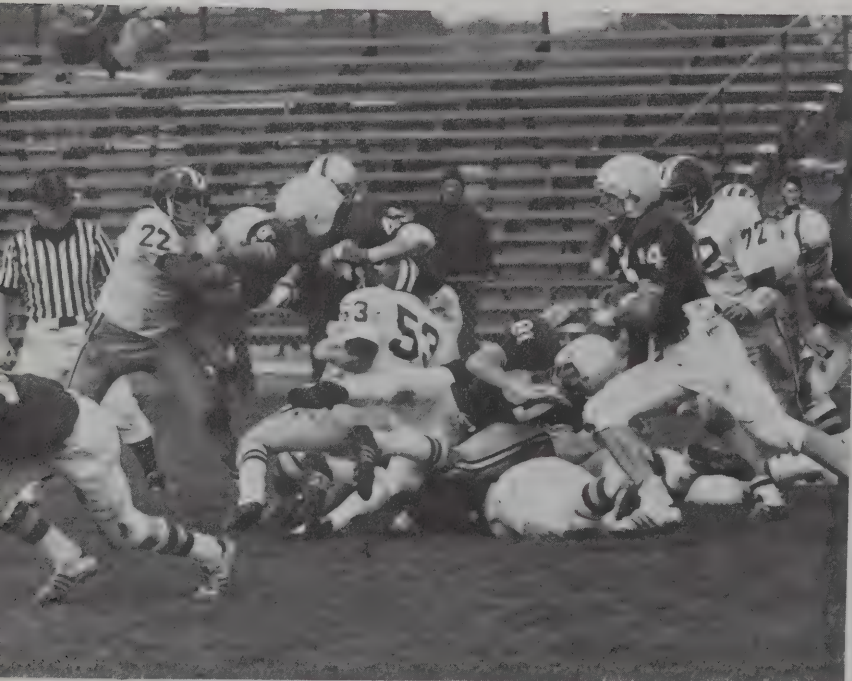

Agony or Ecstasy?

What is a senior ?

A senior is...

- . . . Better than a junior
- . . . Someone who sets an example
- . . . A highly qualified person
- . . . The highest form of life
- . . . The best year of your life
- . . . What the freshmen wish they were
- . . . A person who gets to skip classes
- . . . A leader of the school and city
- . . . Someone who takes life easy
- . . . Four years at voke
- . . . The pride of the school (so they think)
- . . . A person about to be unleashed on society
- . . . Big man on campus
- . . . A person who never gets caught
- . . . Someone who makes teachers think
- . . . They're interested, when they're not
- . . . Always right!
- . . . Someone who learned more than expected
- . . . A maturing adult
- . . . Finished with 12 years of education

Legalized warfare.

Peace and tranquility.

Pollution control.
